**PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on June 2, 2025.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

8

**Special Condition #3:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** The offender is alleged to have violated special condition number 3, by ingesting a controlled substance, methamphetamine, on or about June 6, 2025.

On June 11, 2025, Mr. Fowler submitted a urine specimen at the U.S. Probation Office that returned presumptive positive for methamphetamine. At that time, he signed an admission form acknowledging use of said substance on or about June 6, 2025.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.
